

VALENTINE'S DAY SMALL EXCHANGE

Featuring PLUM STREET SAMPLERS

I know we are all thinking about Fall, and Pumpkin Spice, and Halloween, and Leaves, and maybe a Snowman or two 😊

But I would love to invite you to celebrate VALENTINE'S DAY with us! That's right... Valentine's Day!!!

I know... you *HATE* Valentine's Day... or you love it... or you just really want to ignore it.

How about you celebrate it with your **Sassy Stitching Sisters and Plum Street Samplers in 2019?** Here's the skinny:

- A. You must use only a **Plum Street Samplers** chart. You may use one from your stash, or purchase a lovely new chart of your choice from Sassy Jacks Stitchery.
- B. Stitch **AND** Finish some portion of your new Plum Street Samplers chart into a small
 - a. Small examples (lots of others not listed here): Pin Cushion; Pin Keep; Needle Book; Strawberry; Scissor Keep; Ornament; Thimble Keep; Thread Winder; you get the idea, right? If you need some finishing ideas... let me know 😊
 - b. You can use fiber and fabric from your stash.
 - c. It can be **ANY** subject matter you find on your Plum Street Chart (e.g. Halloween, Easter, Sampler, Christmas, Spring, Summer, Patriotic, Fall, Winter...)
 - d. It may be stitched on either linen or aida. We will exchange it with like kind... i.e. linen with linen, and aida with aida.
 - e. Mail your finished small to me at Sassy Jacks, so that it is received by me no later than **January 30th, 2019.**
 - f. Include a check for \$10.00 to cover costs of the exchange and shipping of a Valentine Small from one of your Sassy Stitching Sisters back to you.
- C. Keep an eye on our FaceBook page, web page, and FlossTube for finishing videos. We'll be posting something on a regular basis for the rest of the year and up until January 30th to help you with your finishing ideas. We may even have a few fabulous Sassy friends help us out with that!
- D. Send me a note or give us a post of FaceBook or Instagram to let us know you're in! We are so excited, and I can tell you that Paulette was so pleased with all of your finishes last year. She's looking forward to this year as well. I can't imagine a better Valentine for a designer than to see so many stitchers loving on her designs and bringing joy to their stitching sisters by gifting them. We both really hope you join us!

EVERYONE who sends me a finished small will also receive a little surprise gift along with their small. You *WANT* to participate in this one... You really do. Last year's exchange was a fabulous success, and Paulette Stewart, the designer of Plum Street Samplers, even created a wonderful freebie chart only for us. I can't promise that again this year, but I can promise that you'll find yourself super glad you joined us this year!

Please include the following registration form with your finished Plum Street Small when you send it in, along with your \$10 check.

Note that the rules are a bit different from last year, in that you don't have to buy a *NEW* Plum Street Samplers chart from us to participate; but if you do buy a new one, we really hope you purchase it from Sassy Jacks... so that we know you love us and all 😊
