

SASSY JACKS STITCHERY

VALENTINE'S DAY SMALL EXCHANGE

I know we are all thinking about Fall, and Pumpkin Spice, and Halloween, and Leaves, and maybe a Snowman or two 😊

But I would love to invite you to celebrate VALENTINE'S DAY with us! That's right... Valentine's Day!!!

I know... you *HATE* Valentine's Day... or you love it... or you just really want to ignore it.

How about you celebrate it with your **Sassy Stitching Sisters, Jeannette Douglas Designs, Plum Street Samplers, and Summer House Stitches** in 2020? Here's the skinny:

1. You must use only a **Jeannette Douglas Designs, Plum Street Samplers, or a Summer House Stitches** chart. You may use one from your stash, or purchase a lovely new chart of your choice from Sassy Jacks Stitchery.
2. Stitch **AND** Finish some portion of your new **chart*** into a needlework small
 1. Small examples (lots of others not listed here): pin cushion; pin keep; needle book; strawberry; scissor keep; ornament; thimble keep; thread winder; you get the idea, right? If you need some finishing ideas, let me know.
 2. You can use fiber and fabric from your stash.
 3. It can be **ANY** subject matter you find on your **Chart*** (e.g. Halloween, Easter, Sampler, Christmas, Spring, Summer, Patriotic, Fall, Winter...)
 4. It may be stitched on either linen or aida. We will exchange it with like kind... i.e. linen with linen, and aida with aida.
 5. Mail your finished small to me at Sassy Jacks, so that it is received by me no later than **January 25th, 2020.**
 6. Include a check for \$10.00 to cover costs of the exchange and shipping of a Valentine Small from one of your Sassy Stitching Sisters back to you.

3. Keep an eye on our Facebook page, web page, and Yonder Ways FlossTube for finishing videos. We'll be posting something on a regular basis for the rest of the year and up until January 25th to help you with your finishing ideas. We may even have a few fabulous Sassy friends help us out with that!
4. Send me a note or give us a post of Facebook or Instagram to let us know you're in! We are so excited, and I can tell you that our featured designers are super excited and looking forward to your beautiful finishes as well! I can't imagine a better Valentine for a designer than to see so many stitchers loving on their designs and bringing joy to their stitching sisters by gifting them. We all really hope you join us!

Watermark Design is Plum Street Samplers "Lovely You", Freebie Valentine Design from 2009.

Please include the following registration form with your stitched and finished Needlework Small* when you send it in, along with your \$10 check.

Remember that you don't have to buy a *NEW* Jeannette Douglas Designs, Plum Street Samplers or Summer House Stitche Workes chart from us to participate; but if you do buy a new one, we really hope you purchase it from Sassy Jacks... so that we know you love us and all. 😊
