

Susan Greening Davis
At Sassy Jacks Stitchery
Friday, June 3rd - Saturday, June 4th, 2022

We are super excited to offer you another wonderful class with Susan Greening Davis. Susan will join us in June 2022 for a retreat featuring a gorgeous small sampler inspired by a stunning Dutch sampler from Susan's private collection. Susan is famous for making all of her creations useful as well as beautiful and fun, and this is no exception. This gorgeous little piece will be affixed to a pre-made huswif type fold-up, perfect for keeping your needlework treasures safe while you're on the go to retreats and stitch-ins.

This workshop features some specialty stitches, all of which are used within the antique sampler that inspired the small. In fact... this is a perfect learning workshop to prepare you to complete the original Dutch sampler!

The workshop features Needlepoint Inc. Silk and 37ct linen from Legacy Linen. The fold-up was designed specifically for the small, and it comes together beautifully. The closure features a wonderful handmade thread covered button, made especially for your fold-up, from our own Allie Dudley. Allie not only works with us at Sassy Jacks, but is also a weaver and artisan on staff at the John C. Campbell Folk School.

You will have the chance to be the first to purchase the full Dutch Sampler Booklet at the workshop, as well as a kit for the sampler in your choice of 30ct. or 37ct. linen. Susan, Allie, and I have collaborated to bring you a terrific booklet for this very special sampler.

Come join your friends in Asheville for a wonderful weekend full of stitching, laughing, and learning in the beauty of the Blue Ridge Mountains. I invite you to an optional drop-in at Sassy Jacks Stitchery Friday morning anytime between 9:00 and 11:00 for a special welcome. You can enjoy lunch nearby and we will begin class at 2:00 pm. We will stitch until 5:30 pm and break for dinner on our own. The shop will open from 6:00 pm – 9:00 pm just for you if you want to come visit! Class on Saturday begins at 10:00 am with doors open at 9:30 am. Lunch will be provided on Saturday, and we will stitch again until supper time. We will provide a pizza dinner for you, and Susan will present a wonderful sampler lecture for you afterward. We will finish up by 8:00 pm. We will open the shop from 10:00 am - 1:00 pm on Sunday for anyone who would like to come and shop and stitch with us.

Just a note that this workshop is only suitable for linen stitchers, as the specialty stitches on the small do not translate to aida. While we are using 37ct. linen, it is a solid dyed linen and much easier to stitch than a typical overdyed linen of similar count. Bring your magnifiers if you're worried... I will definitely use mine. You'll love this stitch!

This workshop is limited to 26 students due to Covid-19 space requirements. Cost of the workshop including your kit, lunch, and dinner on Saturday, and the sampler lecture is \$170.
