

Cathy Habermann of Hands On Design

Midnight Garden Finishing Workshop

At Sassy Jacks Stitchery

Friday June 7th and Saturday June 8th 2024

We are thrilled to invite you to a wonderful workshop with Cathy Habermann of Hands On Design!! Cathy is bringing us The Midnight Garden... a gorgeous imagining of a beautiful moonlit garden in full bloom! We can't wait to welcome both Cathy and you to the beautiful Blue Ridge Mountains of

Western North Carolina.

Here's some info about the project from Cathy:

Join me in The Midnight Garden - a 2-day finishing class. We will cover many different finishing techniques: assembling a cartonnage style accessory tray with a stitched & laced bottom panel, a pinwheel perfect for your needles (pins too) & a sweet tomato pincushion for needles & pins on the go!

Students who bring completed pre-stitching to class will have the opportunity to complete their project. Don't get all of the pre-stitching

complete? There are plenty of 'hands on' moments in class for you to experience the thrill of finishing!

Please note: the completed project is pictured but I have updated the class with new fabrics & thread palette (your tomato will be stitched instead of cotton fabric!) I will update the class photo as soon as I am able but I wouldn't wait too long to sign up!

Cathy

Class will be held at the Fairfield Inn in Weaverville, NC. Address: 25 Fairfield Approach Dr, Weaverville, NC 28787, Phone: (828) 645-9000. You are free to book your accommodations wherever you wish, but the Fairfield does have a block of rooms available for us at \$119/night. Call them to reserve your room there and tell them that you are booking for Sassy Jacks. They should apply the special rate for you. Additionally, there are some wonderful Air BnB options in and around Weaverville.

This workshop is limited to 28 students as we like to keep our finishing classes to a smaller size. Cost of the workshop including your kit (pre-stitching mailed to you) and lunch both days is \$225. Class fees are non-refundable.

Our new shop space will be open for you at 446 Weaverville Road in Woodfin, just 3 miles down the road from the workshop. We'll have some special hours for you to come and shop before and after the workshop! And you are welcome to join our shop stitch group on Thursday night from 6pm – 9pm at the shop.

Registration is by email only. Please email us at sjsclasses@gmail.com to register. Once we've confirmed your registration, we'll send you an invoice through Square.

I can't wait to welcome you all to our new shop space in the Historic Zebulon Henry Baird House! See you soon!

Kim
